Portfolio Composition

Portfolio Maturity Distribution

Portfolio Credit Quality

Managed by a Firm with a Public Sector Focus

- Chandler Asset Management, Inc. (Chandler) is the investment adviser and operational manager for FL SAFE. Founded in 1988, Chandler managed \$47.7 billion in assets, including more than \$3.4 billion for local governments in Florida, as of June 30, 2026.

Conservative Investment Approach

- The portfolio seeks to maintain \$1.00 net asset value with a maximum weighted average maturity of 60 days and a maximum weighted average life of 90 days.
- FL SAFE invests in various types of debt obligations including obligations guaranteed by the full faith and credit of the United States, U.S.-government agency obligations, corporate obligations, asset-backed securities, bank obligations and other obligations permitted by applicable Florida statutes.
- The portfolio is also managed to the requirements of GASB 79, which requires 10% daily and 30% weekly liquidity.
